

TJ PTSA REFLECTIONS PROGRAM

Reflections is a national PTA arts recognition program that encourages students to express their artistic talents. Based on the 2022-2023 theme "Show Your Voice!" **16** TJ students submitted their artwork in **five** categories. Their work has been evaluated by community artists and professionals on their interpretation of theme, creativity and technique.

For each art form, the work chosen as **Outstanding Interpretation** will advance to the Fairfax County Council PTA level, competing with entries from other Fairfax County high school students. **Award of Excellence**, **Award of Merit** and **Honorable Mention** are given to second, third and fourth place. Here are the 2022-2023 TJ (School Level) results.
